

## **OZTILE FIFTEEN YEAR CARPET TILE WARRANTY**

**OZTILE 816 Platinum Sq**  
**OZTILE 816 Lithium Sq**  
**OZTILE 884 Boxed Sq**  
**OZTILE 884 Fineweave Sq**

### **WEAR**

The Manufacturer warrants that its Oztile carpet tile products will lose no more than 10% of pile face fiber, by weight, during the fifteen year period of warranty. This warranty begins when the tile is installed in accordance with Formosa Carpet Division's published specifications and continues in effect during the fifteen year period as long as the carpet tiles are maintained in accordance with the manufacturers current carpet care recommendations.

### **BACKING INTEGRITY**

The manufacturer warrants that, under normal conditions, the secondary backing of its Oztile nylon carpet tile will not delaminate during the fifteen year period.

### **EDGE RAVEL**

The manufacturer warrants that, under normal conditions, its Oztile carpet tile products will not edge ravel during the fifteen year period.

### **DIMENSIONAL STABILITY**

The manufacturer warrants that its Oztile nylon carpet tile products are dimensionally stable - no shrinking or stretching under normal conditions. The manufacturer also warrants its tile products against cupping, doming, curling or dishing.

### **STATIC PROTECTION**

The manufacturer warrants that its Oztile nylon products will give protection from static build-up in excess of -0.084kv when tested using CNS 13595 test method at 70F, 20% R.H.
